Investing in education and training

 **NatWest**

Welcome

Thank you for your interest in our Prospectus and we would like to welcome you to one or more of our courses this autumn.

Our students come from all walks of life and professions, and their reasons for coming to the College are just as varied. Whilst we provide full time courses for the 16 years to 19 years age group, many of our students are employed and many have

families to support. Some are seeking additional qualifications, some hoping to return to work after raising families and some wishing to develop new skills or interests. Over 2000 islanders are attracted by our leisure courses as a way to relax from work or to enjoy their retirement. Whatever the reason, whatever the course, we trust your experience is enjoyable and enriching.
