Course duration/location

Level 2: one year full-time

Level 3: two years full-time

Coutanchez Campus.

Personal development

This course will provide opportunities for you to go beyond the purely academic, as there is a strong thread of personal and skills development embedded in your course.

You will participate in enrichment activities, such as healthy cooking, physical activities, fund raising, charitable work, and develop a deeper understanding of the society we live in by having the opportunity to explore and discuss current affairs.

Entry criteria

Level 2: Four GCSEs at grade D/3 or above, across a range of subjects preferably English language and maths, or successful completion of a Level 1 qualification, or relevant experience for mature students.

Level 3: Five GCSEs at grades C/4 or above in a range of subjects including English language and preferably maths, or a relevant Level 2 qualification at merit or above, or relevant experience for mature students.

Assessment method

You are required to complete coursework which will be in a variety of formats which will be assessed by your lecturers, internally verified and then externally verified by the awarding organisation.

At Level 2 you are also required to complete one computer-based external examination and an externally set and marked piece of coursework. For each of the units you complete you can achieve either a pass, merit or distinction grade.

At Level 3, assessment will be by a range of methods including written reports, portfolios, presentations and observation of team work and role plays, externally assessed course work and controlled assessments.

Progression opportunities

Successful completion of your Level 2 programme of study to include a merit or distinction, English language at Level 2 and overall attendance greater than 88% for progression onto the Business Level 3 course, or employment in a business environment or progression onto another Level 3 programme.

Completion of the Level 3 in Business provides the opportunity to go to university or full-time employment as a trainee in a business environment.

Your tutors will provide information, advice and guidance to help you make informed decisions about your next steps.

Additional learning support

As part of your learning programme, if you have not yet attained a grade C/4 or equivalent in mathematics and English language, you will be required to study a Functional Skill or GCSE in these subjects.

Some students may require additional support for a number of reasons. At the start of your course you will be asked to complete an initial assessment in order for us to identify any additional needs that you may have. During your course, your personal tutor will be able to guide you on how best to access support.

We can offer the following:

- Progress Coaches
- Learner Support assistance (1:1)
- Learner Support assistance (group)
- Learner Support assistance
- Specialist ESOL teaching
- Study lab sessions
- In-class support
- Special arrangements for exams
